SUMMARY

Detail-oriented IT Business Analyst and Project Coordinator with over 3 years of experience in bridging business needs with technical solutions across retail, F&B, hospitality, and loyalty systems. Proven track record of conducting operational research, creating comprehensive project documentation (BRD, UI/UX wireframes, test plans), and coordinating system deployments across 20+ store branches.

EDUCATION

BINA NUSANTARA UNIVERSITY (2019 - 2023)

GPA 3.31

Bachelor of Business

EXPERIENCE

PT. AKUR PRATAMA - BANDUNG

IT Business Analyst & Project Coordinator

(Nov 2023 - Present)

- Elicited and analyzed business requirements from operational teams, vendors, and developers to align digital solutions with core business workflows.
- Coordinated end-to-end development, testing, cashier training, and deployment for Restaurant & Foodcourt Management POS systems across 20+ YOGYA Group branches, Maison Wilhelmina, and Avril.
- Authored complete project documentation including Business Requirement Documents (BRD), UI/UX wireframes, test plans, and user manuals.
- Led feature research and mobile web UI design for Sports Field Booking System (deployed in 2 branches) and Customer Loyalty System to improve customer retention.
- Executed User Acceptance Testing (UAT) and provided application support to troubleshoot system bugs and ensure long-term stability.

Business Analyst Intern

(Feb 2022 - Dec 2022)

- Assisted senior analysts in identifying business process bottlenecks and mapping baseline technical requirements.
- Prepared initial UI/UX wireframes, mockups, and presentations for stakeholder solution reviews.
- Conducted software quality assurance testing and documented issue reports to support feature enhancements.

ADDITIONAL EXPERIENCE

- Expression Organizer — Groom Liaison Officer (2020 – Present): Managed event execution and flow according to schedule.
- SKS Cafe — Food & Beverage Product Development (2019 – 2023): Researched market preferences for menu development.
